Paul Mitchell The School Coeur d'Alene

SCHEDULE CHANGE

Students may request a schedule change after completing Core. Such schedule changes are subject to Director approval and Financial Aid processing time. The first approved schedule change does not incur a fee.
Additional Approved schedule changes that result in an increased number of scheduled hours per week will incur no fee to the Future Professional's ledger. Additional Approved schedule changes that result in a lower number of scheduled hours per week will incur a $100 schedule change fee to the Future Professional's ledger. In rare, extenuating circumstances the Director may waive schedule change fees with a signed letter.
