STUDENT INSTRUCTOR TRAINING (500 HOURS) COURSE INFORMATION

STUDENT INSTRUCTOR TRAINING (500 HOURS) COURSE DESCRIPTION

SOC 25-1194.00, CIP CODE 12.0413)

The curriculum involves 500 hours of student instructor training to satisfy Idaho state requirements and requires the applicant to be a licensed cosmetologist, nail technologist, esthetician with two or more years of experience in a registered cosmological establishment. The course educates a prospective student instructor training to address the needs of students in the classroom and the clinic floor. Prospective teachers learn to utilize a system of forward-focused thinking and front-end coaching. By learning the methods of teaching cosmetology, the prospective teachers learn to engage students in the learning process and stimulate the discovery process with visuals, music, and/or hands-on activities.

Graduates are prepared to be an entry level instructor.
This course is taught in English. Textbooks and course materials are only offered in the English language.

STUDENT INSTRUCTOR TRAINING (500 HOURS) COURSE OVERVIEW

Course Hours: 500 clock hours (with 2 or more years of experience)

The course is divided into methodology instruction and student teaching experiences.

- **Methodology:** Student Instructors develop foundational knowledge of educational principles, instructional methods, and teaching practices through classroom instruction, textbook study, and assessments. Emphasis is placed on understanding how students learn, effective communication, classroom management, and instructional preparation.
- **Student Teaching:** Student Instructors apply instructional knowledge through lesson planning, supervised teaching, and practical classroom experiences. With guidance and feedback, they strengthen presentation skills, instructional delivery, classroom leadership, and their ability to evaluate student learning.

STUDENT INSTRUCTOR TRAINING (500 HOURS) COURSE OUTLINE

- **Methodology:** Instruction focuses on the theory and principles of teaching using *Milady's Professional Educator* textbook. Student Instructors explore instructional techniques, learning principles, classroom management, and educational practices, with progress evaluated through weekly assessments.
- **Student Teaching:** Student Instructors develop lesson plans and gain practical teaching experience by delivering instruction based on their prepared lessons. Through supervised teaching, coaching, and practical teaching evaluations, they refine instructional techniques, communication, classroom management, and professional teaching skills.
